

CODE OF CONDUCT AND PROFESSIONAL ETHICS

- To perform all professional duties in accordance with the highest moral principles and never be guilty of conduct which will bring reproach upon the profession of the tracing investigator.
- To respect the privacy of all subjects of enquiry at all times.
- To adhere strictly to confidentiality in all matters relating to clients and their business.
- To conduct all investigations within the bounds of legality including The Data Protection Act and all other standing legislation together with professional ethics.
- To conduct all enquiries within the auspices of the 8 Data Protection Principles as stated within the Data Protection Act.
- To ensure that all employees and any other persons paid to assist an investigation adhere to this Code of Conduct and Professional Ethics and that they accept responsibility thereof.
